FOUNDATIONS: A SELECTIVE BIBLIOGRAPHY
FONDATIONS: UNE BIBLIOGRAPHIE SÉLECTIVE

This bibliography has two parts. The first part contains works on foundations in general. The second part is devoted to preserved wood foundations. Each part is divided into two sections. The first section covers monographic works, while periodical articles are contained in the second section.

Cette bibliographie se divise en deux parties. La première partie contient des informations sur la fondation en général. La deuxième partie se consacre à des fondations en bois traité. Chaque partie se divise en deux sections. La première section traite des monographies, tandis que la deuxième section contient des articles périodiques.
